

NEW NAVIGATION BAR

The navigation bar has been reorganized to provide greater accessibility and responsiveness, with simplified navigational categories, and quicker access to important functions.

NOTE: What you will see in your menu will depend on your configuration and permissions.

Home

Your Home page is set based on your Clinical Portal configuration and user-level roles and permissions set by your administrator. The default Home page is the Provider Dashboard.

Collaborate

Tools to enable collaboration.

| | |
|------------------------------|---|
| Virtual Connect Rooms | Takes you to the Connect module. Previously called 'Connect' |
| Messages | View messages and message other staff members. Any unread messages will present a red counter notification over the Collaborate icon in the menu bar. |
| Directory | Goes to the staff directory. |

Clinic

View cases, initiate a new case, and view patient records.

| | |
|----------------------|----------------------------------|
| My Cases | Takes you to the My Cases page. |
| All Cases | Takes you to the All Cases page. |
| Create A Case | Initiate a new case. NEW! |
| Patients | Takes you to the Patients page. |

Me

Manage your personal profile account settings.

| | |
|------------------------------|--|
| Profile & Account | Takes you to your general Profile page. Previously called 'My Account' |
| Sign Out | Sign out of the portal. |
| Terms/ Privacy | Displays the Terms / Privacy policy. |

The screenshot shows the top navigation bar with icons for Home, Clinic, Calendar, Collaborate, Tools, Notifications, and Me. Below the navigation bar, the dashboard displays a welcome message for 'Dorthea Billingsley' and a 'SITE SELECTION' dropdown menu. Callouts point to various features: 'Home' (Provider Dashboard), 'Collaborate' (Virtual Connect Rooms, Messages, Directory), 'Clinic' (My Cases, All Cases, Create A Case, Patients), 'Me' (Profile & Account, Sign Out, Terms/ Privacy), 'Tools' (User Support & Help, Analytics Reports, System Settings), and 'Calendar' (My Calendar, Provider On Call Calendar, Callback Device Calendar, Patient Appointment Calendar). A red notification counter is shown on the Notifications icon.

SITE SELECTION
You're coordinating 3 cases

Drop-down of sites you have access to, allowing you to switch between your sites.

Access reports, resources, and settings.

| | |
|--------------------------------|---|
| User Support & Help | Takes you to the Support page. Previously called 'Support' |
| Analytics Reports | Takes you to the Reports main page. Previously called 'Reports' |
| System Settings | Takes you to the Site Settings to configure permissions and other settings for your clinical site. Previously called 'Settings' |

View the On Call Calendar and manage your schedule and patient appointments.

| | |
|-------------------------------------|--|
| My Calendar | Takes you to your own calendar. |
| Provider On Call Calendar | Goes to the On Call Calendar home page if this permission is enabled, OR to a detailed calendar view if the On Call Calendar homepage permission is not set. Previously called 'On Call Scheduler' |
| Callback Device Calendar | Goes to the Endpoints calendar. Previously called 'Endpoint Calendar' |
| Patient Appointment Calendar | Goes to the Appointments calendar. Previously called 'Appointments' |

A red notification counter appears when the user receives a new notification.

| | |
|---|--|
| Mark all as read | Removes the red counter from the menu bar. |
| Settings | Manage what notifications you receive. |
| Tapping an individual notification | Takes the user to the relevant page for what the alert is referencing. |
| See All Notifications | Takes you to the Notifications page. |
